

Liburdi Turbine Services invites all AOG participants to visit our Dundas engineering and production facility on Thursday July 17th. Transportation by luxury motorcoach will be provided, leaving the hotel at 9am. Lunch will also be included. Be aware that due to limited number of seats, priority will be given to Users. Transportation includes crossing into Canada and back into the USA at approximately 5pm. Please be prepared with your passport, enhanced ID, passport card or visa letter (if required). Due to the international border, no alcohol or recreational drugs will be permitted on the coach. Safety rules for the tour will be close-toes shoes. Safety glasses will be provided. Feel free to bring your own prescription or personal safety glasses. If you have any food allergies, or special medicinal needs, please contact Ashley Potts at ashley@aogusers.com
